

Dear Friends,

We asked, and you responded! Thanks to your efforts 36 students have been connected with sponsors. Six of those students are young girls attending secondary school. This is phenomenal because nationwide only 9% of girls are able to attend secondary school. Together we are helping to change the future of Nigerien children, especially girls!

We now have the opportunity to make secondary school possible for even more girls. **Will you help us build the first secondary school in Zinder? Donate a brick, row or wall today!**

You may remember the story of Houge, one of the first students in Zinder to participate in our sponsorship program. Because Houge received the top score in her region on the 6<sup>th</sup> grade national exam, the school director asked if we would support her in secondary school as well. Her sponsor said yes, and Houge has continued to be a top student. She dreams of becoming a doctor - a dream that could very well become a reality because she was given the opportunity to continue her education beyond primary school!

There are hundreds and thousands more students like Houge! By supporting the new secondary school you will help make their dreams for their future come true!

Parents of the Zinder Primary School have been asking for a secondary school for years so that, like Houge, their children might continue their quality education. In response, our partners started construction on a building with their own funds last September. But they need your help to complete the building!

Zinder's Secondary School will allow 150 Nigerien students to receive a quality education through 9<sup>th</sup> grade. That means hundreds of lives will be forever changed every year. The needs are great in Niger, and together we have the means to meet those needs.

Please help us build Zinder's Secondary School by contributing a brick at \$40 each, row at \$400 each, or wall at \$4,000 each. Fill out the enclosed remittance envelope and mail it back to us, or go to our website to at [www.rememberniger.org](http://www.rememberniger.org) to donate online.

Together we can change lives! Thank you for your support and partnership.

Sincerely,

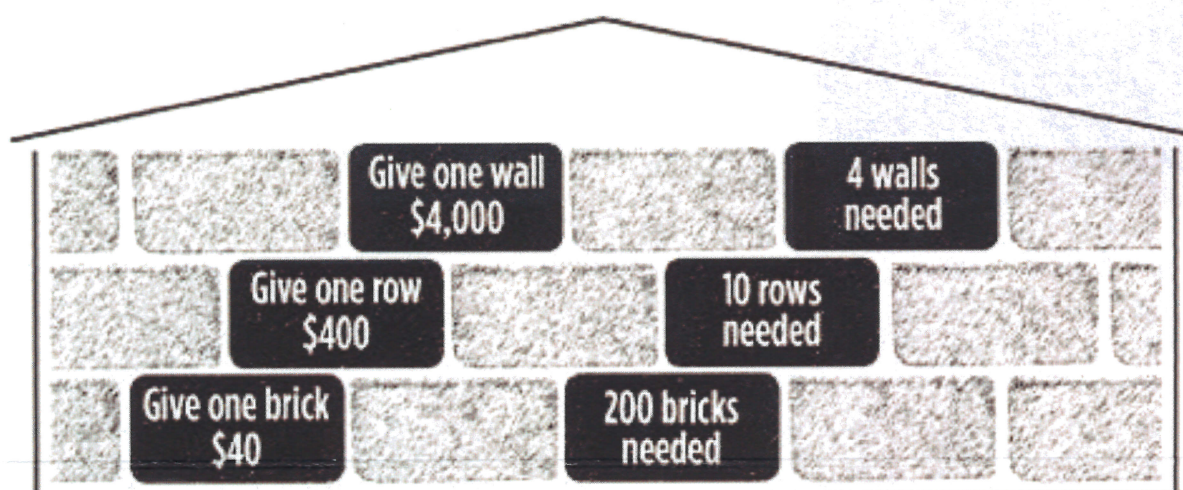

Kara VanderKamp and the RNC Team

For every brick, row, or wall donated, we will dedicate a book in your name or in honor of someone. A dedication sticker will be placed on the book's inside cover and donated to the school's library.

We are changing the script for children in Niger! Nationwide only 53% of children are able to attend school. By building more schools and providing scholarships, RNC is changing lives!

## Help us raise \$28,000!

**Please help us build Zinder's Secondary School by following these steps:**

**Step 1:** Fill out the enclosed remittance envelope.

**Step 2:** Write a check to Remember Niger and enclose in the envelope.

**Step 3:** Adhere a stamp and put it in your mailbox. Thanks in advance!

**Step 4:** OR visit [www.rememberniger.org](http://www.rememberniger.org) to make a donation online.

**All donors will...**

- ◆ Have a children's book dedicated in the name of their choosing
  - ◆ Receive updates during and after construction, including photos
  - ◆ Have the name of their choosing on a virtual brick on the RNC website
- Donors giving \$4,000 or more will have their name on a plaque at the school!
