### **IT'S TIME TO UPDATE THE PICTORIAL DIRECTORY, AND WE NEED YOUR HELP!**

Did you know that we have a secure online pictorial directory for members of JIPC? Did you know that there's an app so that you can view it all on your smart phone or tablet? We do, and it is a great resource to help us stay connected as a church body. We are currently updating the directory in preparation for our 2016 print edition, and we need your help. Please follow these easy steps to help us out:

1. Visit the directory by installing the "Instant Church Directory" app on your smart phone or tablet or by visiting [www.instantchurchdirectory.com](http://www.instantchurchdirectory.com). Use the email that the church has on file for you to log in. You will be issued a password to gain access.
2. Check to be sure that your contact information is correct and that you have a photo on file.
3. Email [cameron@jamesislandpc.org](mailto:cameron@jamesislandpc.org) with any changes or with a new photo. If you would like for us to take your photo, Cameron Smith will be available before worship and during coffee fellowship on April 24 and May 8.
4. If you do not have access to a computer, contact the church office so that we can check your information and mail you a printed copy of the directory.

The updated directory will be distributed by the end of May. Thank you for getting us your correct information and photo by May 16<sup>th</sup>!
