Summer 2015

Christian Education Catalog

Look inside for descriptions of our Sunday School classes and Bible studies and on the back for a calendar of summer events. Also, be sure to pick up a copy of our Summer Service Challenge for children, youth or adults and join in the fun as we find new ways to show our love for God by serving our neighbors, family and friends!

Adult Sunday School Classes

Join one of our Sunday School classes to connect with other adults and grow in faith in community! Classes meet at 10 a.m. around the church each Sunday morning following Coffee Fellowship in the Fellowship Hall. For more information, contact Cameron Smith (795-3111).

Disciples Class contains a wide range of ages and meets in the café off of the gym building. This summer, we will continue our study through the books of 1 Samuel and 2 Samuel.

Discover Class is our longest standing class and meets in the first floor of the Christian Education building. We will continue our study of the Andy Stanley video series, *Twisted Truth*, that focuses on exposing lies that Christians are prone to believe.

En Gedi Class is composed mostly of parents of teens and empty-nesters and meets upstairs in the Christian Education Building. This summer, we are looking at the Adam Hamilton video series, *Seeing Grey in a Black and White World* that shows how the gospel is neither politically conservative nor liberal and focuses instead on the true meaning of discipleship and spiritual maturity in a divided world.

Faith Builders' Class meets downstairs in the CE Building and contains singles and couples who are building families and careers. We will study Proverbs this summer and discover the practical, concrete, reasonable and fruitful guidance this book offers us as we learn to live wisely.

Kirk Class is our newest class for young adults that meets in the gym building. We are studying the world from a Christian perspective this summer as we look to the headlines and Scripture to find a better understanding of what it means to be a disciple in our changing world.

Children's and Youth Sunday School Classes

Children's and youth classes for ages 2 and up continue this summer. All rising 6th-12th graders are invited to join in our Youth Sunday School combined class this summer that will include service projects, Bible lessons, and special activities. To top it off, we have three "Big Youth Sundays" planned for June 28, July 19, and August 16. Pick up a JIPC Youth Summer Calendar or see Duncan for more information (795-3111)!
