Dear Nobles,

I hope everyone is having a safe and enjoyable summer. Although we've been dark; there have been numerous activities at Al Menah.

The Potentate's trip was an enjoyable experience for myself and 25 others. The singles enjoyed touring Macinaw Island. The fishing tournament was a success thanks to the hard work of the committee.

The Ladies of Al Menah were beautiful at the Ladies Luncheon and fashion show. Thanks to Deb Parman and her committee ( Fat Rabbit and the guys in the kitchen ) and PP Conely Dykes and the waiters. You can tell how important this event is to the Nobility and their ladies by the number of workers which includes many Past Potentates.

Thanks to all who make Al Menah the greatest Temple in all of Shrinedom! Your Divan will have been to the Imperial Sessions in Houston by the time you receive this special edition of The Shriner and our Imperial Sir Jim Cain is now the Imperial Assistant Rabban. We are fortunate to have Imperial Sir Jim as a member of Al Menah

I hope to see all of you at SESA which will be held at the Sheraton Music City on August 5-9.

Director General Noble Kenny Loftis and SESA President PP David Wantland and the committee have been working hard to make this event a success. Let's show our visiting Nobles and guests a great time in our city! Hope to see you at the Fish fry, the Presidents night concert and don't forget our Casino night on Saturday!

Thanks for all you do for the Shrine and our Hospitals

Don't neglect your attendance in your Blue Lodge and be on the lookout for new members!

God Bless you and God Bless the Shrine

**Yours In The Faith,**  
**Mike Van Sant**

## CHIEF RABBAN

Once again I would like to thank you for all you do to make Al Menah shine, please remember your hard work pays off! Thank you for allowing us to represent you at our Imperial Session, Imperial Sir Jim Cain moved up to Assistant Rabban. At the Imperial session we were honored to receive Al Menah's Gold Award for Membership in 2014. In order for us to reach a positive number for 2015 we need everyone's help. Our Ceremonial will be September 19th and our Temple is counting on you for support. Please attend your Blue Lodges and tell the story of the Shrine, for that is where you will find our new members.

The Circus is fast approaching; you will soon receive your Circus tickets in the mail, please remember to return your payment to the temple and also remember to turn in your Circus Ads along with the money. It is very important for us to maintain our Temple and if you don't know, all the money generated from the circus funds our Temple next year. So please collect all money for tickets and Ads. The Ring Masters Club is also a very important program; the revenue raised by this program pays for the Saturday morning Matinee Circus. The Saturday morning Circus is for the kids and young adults, if you know of a group or family that needs help please notify us we would love for them to attend.

Thank you and please have a safe and fun summer.

**Yours in faith,  
Chief Rabban  
Jeff Head**

Thanks to everyone that has made this summer successful so far this year. We have had a lot of fun events and activities, Fun Fest, Fishing Tournament, Ladies Luncheon and several Parades.

Your Divan will be attending the Imperial Session in Houston, Texas 7/5 thru 7/9. During this session we will be awarded a GOLD MEMBERSHIP for 2014!!!! Let's do it again this year. Our Ceremonial will be September 19th and we need Candidates for our fraternity. Remember \$100.00 fee and they can purchase their Fez later. Just "ASK A MASTER MASON TO BE A SHRINER".

## ORIENTAL GUIDE

I hope everyone had a wonderful Independence Day!

I was honored to bring greetings on behalf of Al Menah Shrine to the International Order of Rainbow for Girls in Tennessee at their annual Grand Assembly session June 27 at the Cool Springs Marriott in Franklin, TN. I was presented a check for \$5800 that the girls raised for our hospitals this year. We are so grateful for their efforts and they are already hard at work beginning their new year including raising money for our Shrine Kids.

Once again, Al Menah played host to the Annual DeMolay conclave July 9-12. Seeing these young men in action can assure us that our future is in capable hands.

I also experienced my first Imperial Session, held this year in Houston, Texas. It was great to meet Shriners from around the world. Now that we are back, we are looking forward to extending Nashville hospitality to visitors for the Southeastern Shrine Association Meeting in August. We hope to see a great turnout of home folks for this great event.

In closing, - IT'S GREAT TO BE A SHRINER, EVEN MORE AN AL MENAH SHRINER.

## CLOWNS

I hope everyone enjoyed their summer. I realize this time of year is filled with hectic schedules and plenty of things to do so provided below are some very important dates to make note of to ensure you don't miss out on any of the fun.

As you're aware, Nashville is host to the 2015 Annual SESA Convention held here at Al Menah August 5-8 2015. There will be plenty of fun and entertainment for you, as well as opportunities to volunteer your time.

To kick things off, there will be a Fish Fry at Al Menah on Wednesday August 5 from 6-8pm. Cost is \$10 per person. On Thursday August 6, if you or someone you know is guilty of singing "When She Cries" while in the car thinking no one else was watching, then you'll want to attend The Presidents Dinner at Al Menah. The one and only Restless Heart will provide the evening's entertainment. Dinner served at 6pm, music to begin at 7pm.

On Friday, the clowns will be powdered down and ready for competition at the VFW Post 88 at 10am. The Clown Banquet will be at the same venue Friday evening at 6pm.

Come roll the dice and win some great prizes at the annual Casio Night held Saturday August 8 at Al Menah. The fun begins at 5:30pm.

To finish out summer, we will celebrate all clowns past and present at our Past N' Present party on Saturday August 29 at Al Menah.

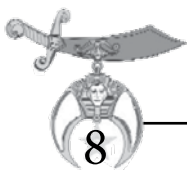

As always, thank you for all that you do in support of our hospitals. Please remember to pray for our country, the sick, and those unable to attend our events.

Vernon "Jingles" Blackburn, Secretary

## D&B MOUNTAINEERS

It is with utter sadness that our unit has lost a faithful member. Our Brother, Past Captain

Charlie Bracey has passed and now serves a higher and nobler position with our Lord.

AUGUST 2015

A loss of a Brother is very difficult but one must cherish the memories and continue our bond together.

Many events are forth-coming. There are very important to our Shrine Temple and Mountaineer unit. Southeast Shrine Convention--August 6 through 8. President's night August 6th at our Shrine Center--Restless Heart Group and a Great Dinner. Casino Party August 8th. We will also be part of a huge parade kicking off the Shrine Convention.

The Mountaineers are growing again with three new members. We welcome: Martin Jared Inyart, William Toby McKenney & Dillon Thomas Reed

In closing, we pray for Charlie Bracey's family, all our sick and distressed and children in our Shrine Hospitals and our Troops all across this troubled world. Until next time, keep your powder dry and be ready to help a distressed Brother at a moments notice.

Captain Ray Cravens

SESA 2015 is probably in the history books as you read this! A great time was had by all. Hats off to everyone who had even the smallest part in planning, scheduling, setting up, bartending, working...it takes a TEAM!

Don't forget the Stated Meeting on Aug. 18th and Ladies Night in the Vision Building!

As always, stay mindful of those who need our prayers. Attend your Blue Lodge and spread the word "MEMBERSHIP". We are always looking for good men who aren't afraid to roll up their sleeves and jump right in! Ladies too! Remember, we ride so they can walk!

## SHRINE CLUB NEWS

### Williamson County Shrine Club

We have been very busy working for the Children. This summer we had the Paper Sale

– Franklin Rodeo Parade - Vidalia Onion Sale and did a fantastic job on them all. A great big thank you goes out to all the Nobles and ladies who helped get all this done.

Let's keep on selling those Plaques for a strong finish for the year. WCSC is doing our part to support the Shrine Hospitals for Children! We are having fun at the same time. That is why we are Shriners.

Our Motor Division has 22 members and we have been out there in the parades having fun. If you are interested in joining the Motor Division, just talk to someone who is a member and we will get you a petition. We are looking for new members and you may already own a vehicle that would qualify! We have Golf Carts, Dune Buggies and a third Sub-Division which consists of Antique Cars – Sports Cars – Hot Rods & Convertibles. Take a look in your garage and see if you see a vehicle there that you might use!

All Shriners and there Ladies are invited to visit WCSC on the third Thursday of each Month, 6:00 pm at Logan's Steakhouse.

We think you will like it! We have great speakers at the meetings and a good time. Note that we voted not to meet in July this year so we won't be having a picnic.

Let's remember to keep those who have lost loved ones and our sick list in your prayers. Remember to thank God every day for this great Country of ours.

## News & World Report Recognizes Shriners Hospitals for Children

Shriners Hospitals for Children's national reputation for expertise in pediatric health continues to grow, as shown by its presence in U.S. News & World Report's 2015-2016 rankings of the best children's hospitals in the United States:

- Shriners Hospitals for Children — Salt Lake City (together with Primary Children's Hospital) was ranked 10th best in pediatric orthopaedics.
- Shriners Hospitals for Children — St. Louis (together with St. Louis Children's Hospital-Washington University), was ranked 11th in pediatric orthopaedics.
- Shriners Hospitals for Children — Northern California (together with UC Davis Children's Hospital) was ranked 29th in pediatric orthopaedics, and 20th in pediatric urology.

The rankings are listed online and will be published in the U.S. News & World Report Best Hospitals 2016 guidebook, which will be available September 1. Hospitals' scores relied on patient outcomes and care-related resources each hospital makes available. To gather data, U.S. News and World Report sent a clinical questionnaire to 184 pediatric hospitals. A sixth of the score came from annual surveys of pediatric specialists and subspecialists in 2013, 2014 and 2015. They were asked where they would send the sickest children in their specialty, setting aside location and expense.

The full rankings and methodology are available at [www.usnews.com/childrenshospitals](http://www.usnews.com/childrenshospitals)

# Don't Let the Hall Fall!

The Historic Franklin Masonic Hall remains one of only surviving examples of early Gothic Revival architecture in Middle Tennessee. Its c. 1823 to 1826 three storied masonry construction made it the tallest building in Franklin until the Civil War and served a dual purpose; the first floor became Franklin's first public meeting space and the second and third, reserved for the Masons. It witnessed the formation of all major religious denominations in the town and became the epicenter for commerce, politics, law, and agriculture until 1860.

The Hall became a staging area for Confederates regiments, an observation post, and gathering place local women congregated to sew uniforms in late spring 1861. Following the horrific Battle of Franklin, November 30, 1864, the Hall served as a Federal field hospital.

## Have a Safer Summer with these Tips from Cincinnati Shriners Hospital

**School is almost out and summer is nearly upon us.** The weather is warm and children have a lot more free time to spend outdoors. Along with this time of year comes an extra dose of responsibility for parents and adults. Keep your family safe and healthy this summer by following these safety tips from Shriners Hospitals for Children® – Cincinnati.

### **FIREWORKS SAFETY:**

**Fourth of July** is traditionally celebrated around the country with fireworks. Every year, children and adults alike are injured and hospitalized with fireworks injuries. Mishandled fireworks can result in severe and painful burns, scars, and disfigurements that can last a lifetime.

### **Below are some tips to help you and your family have a safe summer:**

- Obey all local laws regarding the use of fireworks.
- Only use fireworks outdoors, free of overhead obstructions and away from dry grass or other flammable materials.
- Always have a bucket of water and a charged water hose nearby.
- **Never give fireworks to young children, including sparklers. Sparklers are thought to be safe for children to use, however these fireworks can reach temperatures above 1,000 degrees Fahrenheit. Only mere seconds of contact can catch clothing on fire or cause third degree burns.**
- Wear safety glasses when shooting fireworks.
- Dispose of spent fireworks by wetting them down and placing them in a metal trash can away from any building or combustible materials.

The safest way to handle fireworks is not at all. Families should consider attending community fireworks displays handled by professionals rather than using fireworks at home.

### **Other summer safety hazards include animals and lawn equipment.**

#### **ANIMAL SAFETY**

- Never leave a young child unsupervised with an animal. Accidents happen even with the most trustworthy children and pets.
- Never approach any animal, even your own, when he or she is eating, sleeping, chewing on a toy, in its crate or caring for its young.
- Always pet an animal gently, with no pulling or tugging, and never from behind.
- Don't make loud noises or sudden moves when approaching an animal.
- Always ask an adult before approaching an animal you don't know.

#### **LAWNMOWER SAFETY**

- Children younger than 16 years old should not be allowed to use riding mower. Children under 12 years old should not use walk-behind mowers.
- Wear appropriate shoes and clothing.
- Never smoke or use any type of flame around gasoline.
- Gasoline has one purpose – to fuel an engine.

### **Shriners Play a Big Role in Referrals**

When it comes to finding medical help for children, Shriners are now more important than ever. Members of the fraternity have always played a critical role in helping families in their communities get connected with Shriners Hospitals for Children – Cincinnati, and now it has become even easier with a website and referral cards.

### **Website**

Shriners Hospitals for Children – Cincinnati continues to make referring a patient and obtaining an appointment for care easier than ever through the [www.shrinershospitalcincinnati.org](http://www.shrinershospitalcincinnati.org) website. Every page has a **Schedule an Appointment** and a **Contact Us** feature; both are easy forms that families can complete and submit online directly to the hospital.

### **Referral Cards**

Referral cards are also a great resource that Nobles can use. These cards allow families easy access to hospital information and services. The cards provide hospital contact information to assist in scheduling appointments. On the back of each card is space for the Shriner's name and Temple. Please stop by the Business Development office to pick cards up, or call 513-872-6391 to have them mailed to your Temple.
