

Prayer Letter 4-6-16

Hello Prayer Team!

Below are pictures of two statues. I will give a \$5 Chick-fil-A gift card to the first 3 people who can tell me who these statues represent and in what city each is located!

We have some exciting news to share with you.

First of all, we have reached 39%. Yay!

This means we have filled 95 of our 248 seats on our plane to Europe. We will be excited when we hit the 40% mark and super excited when we reach 50%.

Secondly, most of our family will be leaving for Poland and Czech at the end of April through the beginning of May.

We are so excited about this trip. Those going are Stuart, Leah, Moriah, Natalie, and Levi. We will spend 7 1/2 days in Poland and 6 1/2 days in Prague. In Poland, we will be visiting a beautiful city called, Wroclaw, but more importantly, meeting the SEND Poland team. We will be at the annual conference for our region. Here's a fun game...what is the correct way to pronounce "Wroclaw" in English? Also, if you like gnomes, Wroclaw is your city.

In Prague we will be meeting the SEND Czech team, the national Czech pastor of the planned new church plant, and the leadership team for the new church.

Why are we going?

As you know God has us on a journey right now in our partner development stage.

With the state of the world right now, and the change that has come and is coming to how global missions is accomplished, we are attempting to be sensitive to those factors while still following God's clear call to us to take the Gospel to Europe, which is now less evangelized than Africa!!

This trip and my recent trip to Albania are steps in that direction.

We would ask that you pray:

That God would give us clear direction & clarity in our next steps as we pursue His unwavering call on our lives for European missions.

That we would make great connections with the teams, pastor, and leadership.

That we would have sensitive hearts to the Holy Spirit's leading as we continue these next steps with SEND leadership.

That God would give us confirmation about the correct interim role during our partner development.

That we would desire God's will in this exciting time of exploration.

As always, what can we be praying for you about?

Please send us your requests.

Thanks!
