No food or drinks allowed within the masjid prayer area except water. Food or drinks are restricted to the tent.

PARKING: Obey the directions of security guards and volunteers at all times. Security guards are for your protection and we need your full co-operation to ensure your safety.

We recommend arriving by 9:30pm. The main masjid entrance of Route 1 will be closed. We will leave the NUI school road open initially to direct cars to the new Temporary Parking area by the Fountains; we will then close it once the lot is completely full. Cars coming in from Promenade will be directed to the school field parking. Note that if parking is filled to capacity, drop-offs are allowed, and however, you **MUST** drive all the way around to the front of the masjid (facing Route 1) before you drop off passengers.

In addition, we have secured additional parking space at a private property on Promenade Blvd going West towards Rt 27. It is only 5-7 minute walk to and from ISCJ. On Promenade Blvd (pass ISCJ on your right traveling towards Route 27) there will be additional overflow parking. Please look out for signs and staff. We are asking everyone to utilize that dedicated parking area as well.

Follow ALL traffic rules. Obey the directions of police cars, security guards and volunteers at all times. Police cars and security guards are for your protection and we need your full co-operation to ensure your safety. ISCJ is not responsible for any tickets that result from traffic violations.

Babysitting in **Modular 1** will be provided until Completion of Taraweeh and Du'aa Khatm al-Qur'an by Shaykh Ismael

Please note that **Zakat ul Fitr** is a minimum of \$10.00 per person. You are encouraged to pay more. It must be paid **Before** Eid prayer. May Allah Almighty guide and reward all of us. Ameen.
