YOU GOTTA HAVE ARTS

Dear T-D *Stage Coaches*:

On Sunday, June 5th from 5:00 PM – 8:00 PM the Music and Art Departments are sponsoring *GIG-and-BITE* to be held in T-D's renovated Vox Box in the White House.

T-D always spotlights the academics and this Friday athletics takes center stage.

It is my hope that T-D parents interested in the Arts will find their way to 56 Overlook Circle to enjoy the ambience, camaraderie, dinner, entertainment, and drinks to wash it all down.

While the T-D family will be in a most alluring setting, Sam Javitch '11 will be at the keyboard doing lots of cool jazz.

Several T-D families listed below are supporting this social and feel strongly about T-D's love of the Arts: instruments - voice - composition – fashion – architecture – media - digital music - and so much more.

Alan Goodman is T-D's Music Maestro and all he wants to do is *more* when clearly T-D lacks the means to do it. No T-D event other than graduation attracts more parents than the Arts House which he produces.

A check for \$49.00 takes care of business. Obviously, anything above that amount helps T-D procure items for students in music and art to more fully enjoy their creative subjects.

Please come to the White House and make music with us.

Let's make the "a" in S.T.E.A.M. a *capital* letter.
