

## MOSAIC CROSS

*After searching mosaic crosses online, we had to create a class so that you could have an opportunity to create one of these masterpieces.*

*Before class, select a style from our Pinterest page at <https://www.pinterest.com/HarmonySG/mosaics/>*

*Bring the photo with you and we'll help you translate it into a work of art of your very own.*

### *If You Have Them, Please Bring These Items Which We Will Use in Class:*

- *Safety Glasses*
- *Wheeled Mosaic Cutter - For Nipping Glass*
- *Glass Cutter and Pliers*
- *Weldbond Adhesive*
- *Tweezers for Placing Tesserae*
- *Sharpie*
- *Glass*
- *Baggies for Tesserae*
- *Shallow Box for Transporting Your Project*

*It is unlikely that you will finish in class. You should plan to complete this after class is over. To keep the class price low, you will have a teacher for two hours and you'll spend the rest of the afternoon working on your own.*

We appreciate it when you buy your tools and supplies here at Harmony. By doing so, you help ensure that your local stained glass store will be here as a place for fun and learning for many years to come.
