The Apostle: A Life of Paul
by John Pollock
Call no. B Paul 2012

“I have read this one and highly recommend it.”
–Mary Jane Conger

“The drama of a novel meets scholarship in leading Christian biographer John Pollock's classic work about one of the most transforming persons in history: the apostle Paul. The Apostle masterfully combines careful adherence to biblical text, detailed research, and a storyteller's gift to create a book equally relevant for both casual readers fascinated by Paul's life and serious biblical scholars. Pollock begins his fast-moving narrative with Stephen's death and follows Paul through his conversion, missionary journeys, and eventual execution. Many will enjoy it simply as a satisfying and insightful true-life story, although maps and a study guide allow for deeper exploration.” (Amazon.com)
