Register in EIDM for a User ID and Password

- 1. Open your browser and go to https://portal.cms.gov. The CMS Secure Portal screen displays.
- 2. Click the **New User Registration** link. The *New User Registration* screen displays.
- 3. Read the *Terms and Conditions* and then click the **I agree to the terms and conditions** checkbox. The *Next* button becomes active.
- 4. Click the **Next** button. The <u>Your Information</u> screen displays.
- 5. Enter your information and then click **Next**. The <u>Choose User ID and Password</u> screen displays.

NOTE: All fields with an asterisk (*) preceding the field name are required fields and must be entered. The *Social Security Number* field does not have an asterisk, but it is a required field due to the *Identity Verification* process.

6. Enter the *User ID* and *Password* you would like to use for access to your applications, answer three challenge questions and then click **Next**. The <u>Account Successfully Created</u> screen displays.

NOTE: The *User ID* is limited to 50 characters' total for CROWNWeb and QIP. It is recommended that you use the same email address that you registered in QIMS with as your EIDM User ID.

7. Click **OK**. The <u>CMS Secure Portal</u> screen displays.

NOTE: A <u>confirmation email</u> is sent to the email address you registered with the User ID you created.

Request access to QARM, Identity Verification and Multi-Factor Authentication

- 1. From the CMS Secure Portal, https://portal.cms.gov, click the Login to CMS Secure Portal button. The Terms and Conditions screen displays.
- 2. Read the *Terms and Conditions* and then click **I Accept**. The *Welcome to CMS Enterprise Portal* screen displays.
- 3. Enter your *User ID*, and then click **Next**. The <u>Password</u> screen displays.
- 4. Enter your password and then click **Log In**. The *My Portal* screen displays.
- 5. Click the **Request Access Now** button. The <u>My Access</u> screen displays a list of applications.
- Click in the Access Catalog field and begin to type QualityNet Authorization and Role
 Management. The screen refreshes and displays the QualityNet Authorization and Role
 Management (QARM) application.
- 7. Click on the *QualityNet Authorization and Role Management (QARM)* **Request Access** button. The *Request New Application Access* screen displays.
- 8. Click the **Down Arrow** to the right of the *Select a Role* field, and select *QualityNet User* from the list displayed. The <u>Request New Application Access</u> screen refreshes.
- 9. Click **Next**. The <u>Identity Verification</u> screen displays.

- Read the information on the screen, and then click Next. The <u>Terms and Conditions</u> screen displays.
- 11. Read the *Terms and Conditions*, and then click the I agree to the terms and conditions checkbox. The <u>Next</u> button becomes active.
- 12. Click the **Next** button. The *Your Information* screen displays.
- 13. Enter your information, and then click **Next**. The <u>Verify Identity</u> screen displays your credit information from Equifax.

NOTE: Your *Social Security Number* is a required field.

14. Make the appropriate selections, and then click **Next**. The <u>Complete Step Up</u> screen displays.

NOTE: Some of the questions may not apply to you or the selections available are not correct. In this case, select the answer **NONE OF THE ABOVE/DOES NOT APPLY**. You only have 10 minutes to complete the Identity Verification. If you do not complete it within the given time frame, you must begin the Identity Verification process again.

- 15. Click **Next**. The *Multi-Factor Authentication Information* screen displays.
- 16. Click **Next**. The *Register your Phone, Computer or E-mail* screen displays.
- 17. Click the **down arrow** to the right of the <u>MFA Device Type</u> field and select the MFA Device desired from the list presented.
- 18. Enter required fields, and then click **Next**. The <u>Confirmation</u> screen displays and a confirmation email is sent to your address on file.
- 19. Click **Next**. The *Request New Application Access* screen displays.
- 20. Enter required *Business Contact Information*, and then click **Next**. The <u>Request New Application Access</u> screen asks for a Reason for Request.
- 21. Enter the reason, and then click **Next**. The *Request New Application Access Review* screen displays.
- 22. Review the information, and then click **Submit**. The <u>Request New Application Access</u> Acknowledgement screen displays. Click **OK**.
- 23. The View and Manage My Access screen displays.

NOTE: Access to the QARM Application is automatic and takes approximately 10 minutes before you have access.

Submit a request to be an Organization Security Official or an End User

- 1. Open your browser and go to https://www.qualitynet.org. The *QualityNet Home* screen displays.
- 2. Click the **Log In** button. The *Choose Your QualityNet Destination* screen displays.
- Click the End-Stage Renal Disease Quality Incentive Program link in the menu. The
 <u>Terms and Conditions</u> screen displays.
- 4. Read the *Terms and Conditions* and then click **I Accept**. The *Welcome to CMS Enterprise Portal* screen displays.
- 5. Enter your *User ID* and then click **Next**. The *Password* screen displays.

6. Enter your *Password*, select the desired *MFA Device Type*, enter the *MFA Security Code* and then click **Log In**. The *Welcome* screen displays.

NOTE: Depending upon the MFA Device Type selected, you may need to click **Send** in order for the code to be sent to your selected device.

- 7. Click the **Down Arrow** to the right of *Quality Programs* in the menu bar and select **QualityNet Authorization & Role Management** from the menu displayed. *The Quality Reporting Systems: My Tasks* screen displays.
- 8. Click **Request My Access** under the *Manage My Access* group. The <u>Create User</u> Authorization Request screen displays.
- 9. Click the **Drop Down Arrow** to the right of the *Program* field and select **End Stage Renal Disease Quality Reporting System**.
- 10. Click the **Magnifying Glass** to the right of the *Organization* field. The <u>Search</u> <u>Organizations</u> screen displays.
 - a. For an <u>Organization Security Official</u>, enter information to find the desired facility. Under the *Org Type* field select **QARM Org Security** and then click **Search**. Click the **desired facility name**, select the **Org State** and then click **OK**.
 - b. For an <u>End User</u>, enter the **Facility Name** in the *Org Name* field and under the *Org Type* field select **ESRD QIP Facility** or **CROWNWeb Facility** and the click **Search**. Click the **desired facility name**, select the **Org State** and then click **OK**.
- 11. Click the **Down Arrow** to the right of the <u>User Role</u> field and select the desired role.

NOTE: For *Organization Security Official*, select **Organization Security Official**. For an *ESRD QIP User* select **Facility POC** or **Facility Viewer**. For a *CROWNWeb End User*, select **Facility Administrator**, **Facility Editor** or **Facility Viewer**.

12. Click the **Down Arrow** to the right of the <u>Approvers</u> field and select the **Security Official** who will approve your request.

NOTE: For the *Initial Organization Security Official*, the approver will be a *COR Security Official*. For *Backup Security Officials* and *End Users*, the approver will be an *Organization Security Official* at your facility.

- 13. Click **Submit** Request. The <u>Submit Request Confirmation</u> pop up dialog box displays.
- 14. Click **OK**. The screen displays your <u>Request ID</u>.
- 15. Record your **Request ID** and you will receive a confirmation email at the email address you registered with containing this **Request ID** confirming that your access request has been submitted.
- 16. A confirmation email will be sent to the Email address used when you registered.

Approve a request for a Backup Organization Security Official or an End User

- 1. Open your browser and go to https://www.qualitynet.org. The QualityNet Home screen displays.
