Sponsorship for No Stomach For Cancer 2015 Walk

Supporting Research. Empowering Families.

I am raising money for No Stomach for Cancer® because I have a personal connection to stomach cancer. The No Stomach For Cancer® Walk is not an event that takes place at one specific location. It can happen anywhere around the world. As the leading global stomach cancer advocacy organization, their mission is to support research and unite the caring power of people worldwide affected by stomach cancer. The organization is also focused on advancing awareness and education about stomach cancer, including Hereditary Diffuse Gastric Cancer (HDGC), provide a support network for affected families, and support research efforts for screening, early detection, treatment, and prevention of stomach cancer. Stomach Cancer is currently the third leading cause of cancer deaths worldwide with 1,000,000 new cases diagnosed each year. Early diagnosis and awareness is vitally important to saving lives. It is my hope that together we can continue to help countless individuals with stomach cancer by working with you to increase stomach cancer awareness and funding for treatment and prevention.

My Pledge Goal is: \$ _____

The sponsorship is for the successful completion of the No Stomach For Cancer 2015 Walk on the 7th of November 2015.
