IMMANUEL

Broken and Loved, Saved by Jesus, Freed to Live

The Blessing of the Animals *October 18, 2015 at the Pepin Village Park*

"Happiness is a warm puppy."
Charles Schultz

"A bird does not sing because it has an answer.
It sings because it has a song."
Chinese Proverb

"God has given us all things so richly to enjoy!"
1st Timothy 6:17

Our Animal Companions are yet another expression of the generosity of God who loves us – and them – beyond anything we might imagine. Next Sunday we will celebrate this fact as we have a Blessing of the Animals Service in the Pepin Village Park. Join us there at 9:00 AM and bring your dog, cat, horse, llama, goldfish, canary, gerbil....well, you get the picture! All God's creatures are welcome.

There will not be a worship service at Immanuel on that day.

Dress warmly for the cool morning temperatures. Please have your pet under control with a leash, halter or pet transport just in case some animals are not early risers and not in the mood to make friends with other pets. There will be some picnic tables for seating but do bring a folding chair if you'd like. This is going to be fun! Please join us. All are welcome.

Announcements

A reminder that you are most welcome to join the Church Council on October 13th at 6:30 as we explore our call to leadership with a New Visions Workshop. The first hour of our meeting will be devoted to dreaming about new pathways of ministry here at Immanuel and beyond. Help us all listen, discuss and pray about next steps. All are welcome for this one-hour event.

For over a thousand years, the ringing of church bells has been one way to call the people of God to worship. And now, thanks to a generous gift from the Women of Immanuel and an anonymous gift, our newly installed carillon system will carry on this tradition. This gift will bless many for years to come. Thank you!
