# IMMANUEL

Broken and Loved, Saved by Jesus, Freed to Live

## ORDINARY TIME

The church calendar has high holy days like Christmas and Easter -- and wow -- it's wonderful to celebrate those special days together.

But right now, we're in the midst of ORDINARY TIME. Really -- that's the name of this season on the calendar.

When we think of the word ordinary -- we might think of boring or mundane ... but here's an invitation to take another look.

In Brené Brown's book *The Gifts of Imperfection*, she interviewed people who have suffered major losses. And these dear folks shared that what they grieve the most since their loss is their ordinary day to day life together with the people they love.

So here's an invitation to let the joy of the ordinary wash over your heart and spirit. Grab a camera or phone this week -- and capture the ordinary blessings of this life. You could invite your family or a friend to join you in this adventure.

Keep photos on your device to look back on in times of stress or scarcity -- or print as a visual prayer of thanks -- a chance to see and know the presence of God in your holy ordinary.
