

The Healing Shofar

Grief and the High Holidays

The Healing Shofar is a workshop for bereaved people who are anticipating the major Jewish Fall Holidays after the death of a loved one. Please join Josh Magariel, LCSW, Social Work Manager of Rainbow Hospice and Palliative Care and Rabbi Joe Ozarowski, D.Min., BCC, Rabbinic Counselor and Chaplain of Jewish Child and Family Services, for information on the grief process, strategies for coping with loss on the Holidays, some reflective Torah texts on the Days of Awe, ways to memorialize your loved one and ideas to help you move forward at this Yomtov season.
