# Make A Difference...

## Be a Challenge By Choice Presenter

**M**ake a difference.... by spending an hour of your time speaking to 8th Grade students in the HEB ISD. The Challenge By Choice Program teaches students the importance of taking challenging course work in high school.

You will encourage the students to prepare themselves for whatever path they choose, whether it is college, trade school or going directly into the workforce. You will help them understand that high school is their opportunity to "load-up" on those courses that will put them one step ahead at graduation.

The presentation is "packaged" and ready for you in the classroom. All you need is to attend a brief explanation session to prepare you for your time with the students. Training sessions are scheduled to maximize your time and will be held at the HEB Chamber, 2109 Martin Drive, Bedford, 76021. For more information, contact Linda Dibley at The HEB Chamber, 817-283-1521, or return the form below to be a Challenge By Choice presenter!
