Partners for Prosperity works like a business partner to help you effectively find new clients. Our specialty is working with investment advisors. If you are an investment advisor or branch manager we can help you grow your business.

## **What We Do**

Build quality high impact lead lists and explain how to use them effectively.

Design and implement a mailing program that gets results.

Design seminar events that put you in front of qualified prospects.

For our managers and sales managers, lead programs that include training sessions.

Give Free Consultations

Provide a Satisfaction Guarantee

Our business is more about service than anything else. We help you define your market then build an approach that will allow you to penetrate it effectively. Whether you make cold calls, do seminars, or send out mailers we can provide the ideas and muscle to get the job done.

We have several programs designed to help your brokers and agents increase activity by 20 to 30 percent. We have ideas and methods that can benefit all your sales people including Sales Leads, Phone Training, Scripts, Drip Mailing Programs, Seminar Events, Client Appreciation and Referral ideas.
