

# Quick Ship Program

The MaxLite Quick Ship Program is designed to help you receive orders for our most popular LED lighting products faster than ever! We keep a broad range of interior and exterior solutions in stock and ready for immediate shipment.

## Guidelines and Rules:

- 1) Quick Ship must be indicated on your purchase orders. When contacting a MaxLite Customer Service team member, mention that you want Quick Ship handling of the qualified products in your order.
- 2) Orders placed before 12PM/noon local time, will ship out the same or next business day. Orders placed after 12PM will ship the next business day.
- 3) Orders cannot exceed the maximum order quantity for a single project in a single day, or consecutive days.
- 4) There is no limit to the number of quick ship orders that you can place per day, as long as they are for different projects.
- 5) Freight will be allowed for all orders at the maximum quantity levels noted below, any premium freight costs will need to be covered by the purchase.
- 6) If an order exceeds the maximum order amount please consult your Customer Service or Inside Sales representative as MaxLite reserves the right to maintain basic inventory levels to ensure the program is properly supported.

## Maximum Order Quantity:

Indoor:	50 pcs.
Outdoor:	25 pcs.
QuadroMax:	10 pcs.
Lamps:	250 pcs.

## Additional Terms:

Modifications to products are not eligible for Quick Ship, e.g. special packaging/markings/EM/motion sensor.

*MaxLite reserves the right based on the individual product performance in the program to modify the order quantities or product mix.*
