*\$10.00 per daily session*

Homework help is offered to 3<sup>rd</sup> – 8<sup>th</sup> grade students currently attending St. Charles Catholic School every day after school (*full-days only*). This is an additional opportunity for students to receive extra help from teachers on their current daily homework.

Students will be expected to work on homework and/or study for the duration of the Homework Help hour. Student computers are available for those who need to complete ALEKS Math requirements and class assignments.

Homework Help is held in Mrs. Prewitt's homeroom, NA-3
