European Facial  $32.00
This deep cleansing facial includes extractions, facial massage, hand and arm massage and a nourishing mask.

Anti -Aging Facial  $40.00
This rejuvenating facial will deliver a high concentration of vitamins to help reduce the signs of aging. Application of a specialty serum with Vitamins A, C and E boosts Collagen & Elastin production. Also includes ultrasonic exfoliation, extractions, facial massage and a 2 Layer Eye Lift! Great to use before a special event!

Acne Facial  $75.00
This corrective facial is for teen, oily or acne prone skin. This facial includes the Image Post Treatment Kit. ($30 value)

Sensitive Skin Facial  $39.00
This facial is moisturizing and nourishing for all skin types.

Signature Anti-Oxidant Facial  $46.00
An over the top facial that includes resurfacing, hydration and enhancement of the skin.

4 Layer Facelift  $39.00
This gentle, yet effective, treatment combines potent antioxidants and alpha hydroxy acids that tighten, lighten, and brighten your skin.

New! Laser Treatments
Please note, $25 pre-consult appts are required for all laser treatments. Prices for services requested are determined at that time & $25 pre-consult charge is applied to cost.

Microdermabrasion  $40.00
Crystal or Crystal Free Advanced Exfoliation
Purchase 6, receive the 7th FREE
With mask -add $6.00 per treatment

Chemical or Enzyme Peels  $30.00-$40.00
Peels assist with cell regeneration and are excellent for acne prone skin. These peels are mild, but very effective, with visible results as early as the first treatment. To achieve dramatic improvement in the skin’s appearance, a series of treatments is recommended. Purchase 6, receive the 7th free!
(No mask is included)
With a mask, add $6.00 per treatment.

Light Therapy  $15.00
This benefits many skin conditions and may be used in addition to other services. Add-on  $5.00

High Frequency  $5.00
This is used as an add on for acneic or acne prone skin. This treatment uses a mild tesla current with germicidal qualities to assist in killing acne causing bacteria.

Microcurrent  $46.00
This is an anti-aging treatment, commonly called the non-surgical face-lift. It is designed to re-educate the muscles of the face. Available in a series of 9 treatments with the 10th FREE  $414.00

Gratuities are greatly appreciated as students are not compensated for services they perform.
