

# Airbrush Makeup Beauty & Paramedical

Airbrush makeup is flawless, fast, long lasting, natural and easy to apply. This course will give you the opportunity to work on skin correction, post surgery scars, birthmarks, and covering up tattoos. Also includes beauty application of airbrush makeup for special events. Included in the cost of the class is a paramedical and beauty Dinair Airbrush system, yours to keep.

**Makayla Allison**, Licensed Esthetician, CIE Alum & Makeup Artistry Instructor

**REGISTRATION FOR THIS COURSE CLOSES TWO WEEKS BEFORE CLASS COMMENCES**
