

# GOOD TURN FOR GOODWILL

BOY SCOUTS OF AMERICA  
PIKES PEAK COUNCIL

Feb. 1-29, 2016

**Discover Goodwill of Southern and Western Colorado is proud to team up with the Pikes Peak Council of the Boy Scouts of America for the Good Turn for Goodwill project.**

The Boy Scouts who bring in donations do much more than just earn a patch! Donation of clothes, household items, books, electronics and toys also help fund more than 20 local programs, including job training, employment placement and other services to people who lack education or job experience, face employment challenges or have disabilities.

Donating to Discover Goodwill also reduces the amount of items going into landfills, allowing the boys to be true stewards of the environment.

Every Boy Scout in the participating areas who brings in at least one donation will earn the Good Turn for Goodwill 2016 patch.

You can bring your donation to your closest donation site (listed on back).

One donation = 1 filled 13-gallon bag (kitchen-size bag) OR  
1 filled box (the size copy paper comes in) OR  
2 grocery store-sized bags (like King Sooper bags)

**Be sure to tell the attendant this is a Boy Scout donation, and give them your troop number!**

*Please note: You are welcome to have parents, relatives, friends, neighbors or teachers drop off donations for you as well. The same rule applies: please tell the attendant it's for Boy Scouts and give them your Troop number.*

The most needed donations are new and gently used clothing and linens, household items (dishes, glassware, kitchen utensils, lamps and small appliances), footwear (shoes, boots, slippers and skates), toys, games, sporting goods, books, CDs, videos, DVDs, computer software, computers and computer equipment, working electronics (stereos, phones, clocks), jewelry, purses and belts.

If you would like to organize a larger donation drive for your whole troop, your neighborhood, your school, your church or any organization you belong to, we can help you do that, too. Please visit our Community Donation Drive kit at [DiscoverMyGoodwill.org](http://DiscoverMyGoodwill.org) for tips on setting up a drive. You can also contact the Discover Goodwill Community Connections Liaison at [Community@DiscoverMyGoodwill.org](mailto:Community@DiscoverMyGoodwill.org) if you have any questions.
