Royal Automobile Club 1000 Mile Trial

Shortlisted once again for the "Rally or Tour of the Year" at the International Historic Motoring Awards, the Royal Automobile Club 1000 Mile Trial is the benchmark for events in the pre-war category. The 2016 event will start from Edinburgh – with a champagne reception and dinner on board H.M.Y. Britannia before the action starts the following day. The route will take in the best and most suitable roads the UK has to offer before making its way via Slaley Hall, Blenheim Palace and Goodwood to Woodcote Park, the country home of the Royal Automobile Club. We look forward to welcoming you to Edinburgh and to the attention to detail, the enjoyment and atmosphere that has uniquely become the Royal Automobile Club 1000 Mile Trial."

Is this event right for me?

- Vehicles entered will be classed according to age, engine size and body type.
- Navigation on the event is a mix of Tulip Roadbook and map, this is part of your entry and is supplied to you. There will be some very basic map plotting and a trip meter will be required.
- There will be no navigational trickery or night time driving
- The timing will be easy so that the link sections are not too punishing and everyone has time for lunch, coffee & a chance to explore the places we visit.

The event is suitable for those:

- Who are new to Regularity Rallying
- Who have already done some events
- Seasoned competitors that wish to do an event with their partners
- Crews wishing to shakedown their cars
- Competitive crews who are looking for a fun social event
