

## BOMB SQUAD VISITS CAMP GOOD DAYS

On August 6, 2015 the Monroe County Sheriff's Office bomb squad coordinated with Sheriff Patrick O'Flynn and Camp Good Days to conduct a fireworks show for several campers staying at the facility on Kueka Lake in Branchport in Yates County. Earlier in the year, several hundreds of dollars worth of consumer fireworks were seized from a home in Orleans County and turned over to the Monroe County Sheriff's Office bomb squad. Additionally fireworks were seized from homes in and around Monroe County. Due to the large quantity it was determined that the fireworks needed to be disposed. Arrangements were

made to transport the fireworks to Camp Good Days to provide the kids with a special show. The fireworks were set up along the shoreline by members of the bomb squad. They were able to put on a 45 minute show. Thank you to Sheriff O'Flynn and Camp Good Days Founder Gary Mervis for allowing the Sheriff's Office to make this visit. Camp Good Days remarked on its Facebook page, "Thank you for sharing the night with us and creating some wonderful memories for our campers." You can see a portion of the fireworks show on our You Tube page at [www.youtube.com/monroesheriffny](http://www.youtube.com/monroesheriffny).
