ABOUT OUR FIRM

At Dutton & Casey, P.C., we provide comprehensive and personally tailored estate planning, probate, and elder law services. Through our expertise of over 90 years of combined legal experience, personal attention, and commitment to service, we assist our clients in achieving their goals and finding peace of mind. Our clients can depend on our team for the knowledge, advice, and support they require to resolve their legal needs.

CERTIFIED ELDER LAW ATTORNEYS

Both Janna Dutton and Kathryn Casey are Certified Elder Law Attorneys (CELA). The Certified Elder Law Attorney is the only American Bar Association approved designation for elder law.

CARE NAVIGATION AND ADVOCACY

Unlike many law firms, we offer Care Navigation and Advocacy, a service that is designed to help establish quality care and assist with decision making. Our Care Coordinator, Erin Vogt, who is a licensed clinical social worker and certified care manager, supports our clients and attorneys by providing comprehensive assessments, family caregiver advocacy and education, and resource information needed for the client and family to understand and make decisions about care. Planning for the future is made up of a lot of moving parts. The goal of Care Navigation is to help put all of the parts together.

The Supreme Court of Illinois does not recognize certifications of specialties in the practice of law and the CELA designation is not a requirement to practice law in Illinois.
