

Winn Feline Foundation is a 501(c)(3) non-profit charitable organization whose mission *"...enhances the relationship between cats and humans by fostering improvements in feline health through research and education."*

To date, Winn has funded over \$5.5 million in health research for cats at more than 30 partner institutions worldwide. Our work is only made possible with the support of dedicated donors.

## FOLLOW THE JOURNEY

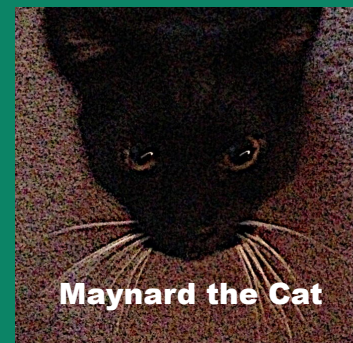

Winn Riders for Feline Health was created by Dr. Glenn Olah, Winn Feline Foundation president, as part of a larger bike campaign to raise funds to help Winn financially support feline health research and education.

We will be tracking Winn Riders efforts during the next year and possibly longer. You will also find articles on feline health and research projects funded by Winn Feline Foundation on our Winn Riders Facebook page at:
