

Flying Club Application

Thank you for your recent request for flying club insurance information.

The underwriting of aircraft insurance is a complex process and in order to provide you with the insurance you require at a price your club can afford we must obtain as much information as possible to properly evaluate your submission.

We ask that you take your time, complete ALL of the spaces and sign your submission where we ask for a signature. Our underwriters require hand signed applications, electronic signatures are not acceptable.

Submitting and signing the documents does not commit you to take coverage and we will not invoice unless you provide your written acceptance of our offer to insure you. Nor does the submission of your documents obligate us to provide a quotation or to insure you.

Please note you have a duty to verify all information provided by any club member pilot for accuracy.

Should you have any questions or concerns please contact our office and we will be pleased to assist you in any way possible.

Thank you once again for your interest in Air 1 Insurance Services.
