First time at the Roundup? If so, please fill in a few more questions:

Shore Power Needed?:

Voltage:

Amps:

Phase:

Will you be willing to participate in the "push-off's" or "nose to nose" competitions?:

Any other demos or competitions you'd like to be involved with?:

Dock Space is blocked beginning on Friday, September 11. Please arrange any early arrivals with the Waterford Harbormaster by email or phone.

Car parking (long term) at the dock is limited during the event. The best long-term parking may be a few blocks away.

Secure trailer parking is available for exhibitors with smaller workboats or mini-tugs.

Please make sure we have a "bio" on the boat. (Where / When it was built, year, length, weight, capacity, horsepower, type of engines, history—etc.) If you're not sure or want to update what you think we have, let us know!

Questions? Tom Beardsley: 315-263-8906 tom@tombeardsley.com
