

## Our Lady of Peace SCHOOL

### **Inclement Weather Guidelines for OLP**

Winter has finally arrived in Erie. Please review the inclement weather policy for Millcreek Schools that OLP will follow.

**Millcreek Catholic Elementary Schools will follow the decision of the Millcreek Public School District.**

There will NOT be an additional announcement for the Parochial/Catholic Elementary Schools. If the Millcreek Public Elementary Schools are closed, then the Millcreek Catholic Elementary Schools are closed. **The same procedure will be followed for school delays.**

**If there is a school delay, then the OLP extended Care Program will operate on its normal schedule for students already signed up for this program.**

**There will be NO AM Preschool Class.**

**The OLP PEP Program will also be on a 2-Hour Delay.**

Schools will be closed only in the event of a declared city-wide emergency or if prevailing weather conditions are considered so severe as to place children en route to schools in a clearly dangerous or unhealthy situation. These conditions include the following:

- impassable streets and/or sidewalks
- Extreme cold temperatures and/or gale-like winds

The three TV channels will announce the closing or delay of schools during the 6:00a.m. news. Radio stations will also announce the delays and closings.
