

Spread Your Wings

“The Aflac internship program gave me the opportunity to learn what it really means to be a real benefits consultant.”

John Dodge
Aflac Associate since 2009

Aflac Sales & Marketing Internship (Summer & Fall)

Are you looking for an internship that will give you hands-on experience and competitive earnings?

Join Aflac for a rewarding internship that allows you to balance work, studies and fun, while being backed with the support of a Fortune 200 company and industry leader. Start your career with an internship while you are still in school that could easily turn into a career as soon as you graduate that moves with you where you need it to.

Key Responsibilities:

- Use the power of marketing, social media and in-person networking to reach CEOs, business owners and HR managers to determine which voluntary benefits programs suit their employees best.
- Make a difference by connecting with existing policyholders to provide service and support. Build and maintain client relationships by working the Aflac Way

Unlimited Success

Get the experience you need to advance quickly in your career. The Aflac Sales & marketing internship provides a gateway that offers the flexibility you crave and the support you need to succeed. With the Aflac internship, you can add a professional designation to your resume with Aflac's comprehensive sales and industry training program. And, because your income is based on your personal performance, it doesn't matter if you're an intern or if you're starting your long-term career, there is no limit to your earning power. Exciting incentives programs and valuable rewards are part of our efforts to reward you for your hard work.

Whether you decide to go into business for yourself or choose to climb up the corporate ladder instead, you will learn valuable skills such as:

- Top Practices in Business to Business Marketing
- Mastering the Art of Public Speaking
- Integrating National Advertising Campaigns With Local Marketing Efforts
- Best Networking Practices
- Consulting Skills
- Sales Forecasting

Learn more about the company

Aflac, a Fortune 200 company, is an industry leader in voluntary insurance products that pay cash directly to policyholders and one of America's best known brands. Aflac has been recognized by Fortune magazine as one of the 100 Best Companies to Work For in America for the sixteenth consecutive year in January 2014 and as one of America's Most Admired Companies for the thirteenth year in March 2014. Our business is about being there for people in need.

Please note: Internship is available for credit. Compensation is based on performance. Licensing is required and can be provided at no cost. Applicants will be notified either by e-mail or phone by our Regional Administrator to set up an interview time.
