

# PURELL® SANITIZING WIPES

SOLUTIONS FOR HIGH TRAFFIC LOCATIONS

The PURELL® Sanitizing Wipes Portfolio

## PREMIUM PURELL® SANITIZING WIPES SHOW YOU CARE

Create a positive and lasting impression with customers, members, and employees by providing genuine PURELL Sanitizing Wipes, the brand your customers know and trust. PURELL Sanitizing Wipes kill 99.99% of most common germs, are safe on skin and clean surfaces.

### OUR NEWEST, HIGHEST COUNT PURELL SANITIZING WIPES REFILL

1,500 count refill is currently the highest wipe count in the market, delivering superior performance in a proprietary textured premium substrate. Benefits include the following:

- High wipe count lowers cost
- Reduces out of stocks by more than 500%<sup>1</sup>, saving labor and money
- Simplifies refilling with easy-open pouch design<sup>2</sup>

### MAKING A POSITIVE IMPACT ON OUR ENVIRONMENT<sup>3</sup>

- 96% reduction in plastic and packaging material by eliminating canisters<sup>4</sup>
- Significantly reduces manufacturing resource consumption across the product life cycle
- Decreases the environmental impact of storage and shipping through lighter, optimized packaging

## STATE-OF-THE-ART HIGH CAPACITY STATION

### PERFECT FOR ALL HIGH-TRAFFIC LOCATIONS

- Holds an industry-leading 6,000 wipes
- High performance stand stores an additional 3 refills in the base for faster and easier restocking, reduced labor costs and improved inventory control
- Heavy-duty, 16 gauge, powder coated steel stand is attractive, durable and safe. Exceeds stringent A.S.T.M. safety & stability standards.

### REVOLUTIONARY NEW NOZZLE

- One Wipe technology virtually eliminates roping, reducing retailer costs
- Easy pull dispensing prevents wipe fallback and bunching resulting in a superior customer experience
- New patent-pending nozzle features re-wetting design ensuring consistent wipe saturation and 99.99% germ kill with every wipe
- New nozzle ships with every case of PURELL Wipes ensuring a replacement is available when you need it
