Working Group on Review of Standards of Conduct
Appointed May 13, 2016

Members

1. Mike Volz, MD, President
2. Katie Lozano, MD, President-elect
3. Mark Johnson, MD, CCVMS
4. Edward Norman, MD, Northern Colorado Medical Society
5. David Markenson, MD, ADEMS
6. Gina Martin, MD, Delta County Medical Society

May 13 Motion (unanimously approved): That the board authorize a full review of the Standards of Conduct, that such review be conducted by at least three board members and the General Counsel, with the participation of the President and President-elect with a report to the board of directors at the September meeting.

Background: The current Standards of Conduct should be reviewed and updated as appropriate and needed. While the most immediate issue is to bring the Standards into compliance with the new bylaws, the move to the downsized board is an opportune time to conduct a complete review of the Standards.
