

New Vista Summer School
June 27-July 29, 2016

New Vista School has summer enrichment programs available for students with Asperger Syndrome, high-functioning autism, language learning disabilities, and who meet our enrollment guidelines. The summer school program is 5 weeks long and is for enrichment only (no credits available). Course enrollments are subject to administrative approval with consideration to academic levels and social peer groupings.

Please indicate which classes your student is registering for.
