

**ANSWER: #3**

O.C.G.A § 24-8-801: "Hearsay means a statement...offered in evidence to prove the truth of the matter asserted."

An out-of-court statement is hearsay if offered for a purpose that requires the fact finder to assume the declarant was not lying or mistaken.

An out-of-court statement is hearsay if its relevance asks the fact finder to assume the caller was not lying or mistaken

How was the statement relevant?

To prove Frank broke in to the house.

Proves this only if we assume the speaker was not lying or mistaken.

**Thus, 'hearsay.'**
