

THE EARTHQUAKE ENGINEERING RESEARCH INSTITUTE STUDENT CHAPTER

STUDENT INVOLVEMENT EVENT

Thursday, January 21

5 PM – 6:30 PM

Discovery Learning Center

Natural hazard events happen. EERI works to understand the impact and mitigate the risk.

Attend this event, find out more, and get involved!

- **Meet the exec board candidates so you can vote.**
- **Join a committee!**

Learn about our work to increase community awareness and collaboration for reducing natural hazard risk. Become a part of a dynamic student chapter of a national organization.
