National History Day®, the American Battle Monuments Commission, the Roy Rosenzweig Center for History and New Media, and the Department of Veterans Affairs have partnered to reinvigorate the teaching of WWII in middle and high school by helping teachers understand the sacrifice of fallen American heroes of World War II. In July 2017, a select group of 18 educators will follow in the footsteps of history as they visit WWII historic sites and American cemeteries in San Francisco, Honolulu, and Manila.
