**Re: 2015 Bethany Christian School 4th Annual Fall Family Festival Donation and Sponsorship Opportunities**

Dear Charitable Contributor,

Bethany Christian School is a non-profit Preschool - 8<sup>th</sup> grade school partnering with parents to educate, nurture and develop children in the San Gabriel Valley for 40 years. It is well respected in the community and is known for a strong scholastic and Christ-centered curriculum. We currently have an enrollment of over 200 children.

The school's Parent Teacher Fellowship (PTF) works very hard with the community to raise funds for additional educational costs not covered by the basic allocated school funds. **Our Fall Family Festival is one of Bethany Christian School's signature events and fundraisers to be held on Saturday, October 24, 2015.** The Festival is a day of fun for the entire family with carnival games, food, live music, face painting, children's crafts, vendor booths, and a silent auction. This year we have a substantial fundraising goal of \$20,000 which will be used to invest in our students' science, technology and academic programs.

This year we invite you to join us as a "partner in education" by either **sponsoring a booth** or **making a contribution to this important event**. **Sponsors** will be recognized with a sign at their sponsored booth and their name will be displayed in our event program. **Contributions** are welcomed as gift certificates, tickets, merchandise, a service, or anything that you deem to be of value that can be auctioned that day to our attendees. Your donations are tax deductible (**Tax ID #95-1799940**). Please also note that a donation form has been included so that all gifts can be properly described and presented.

**We request that all donations be sent on or before October 9, 2015 to:**

**Bethany Christian School  
C/O Fall Family Festival  
93 North Baldwin Avenue  
Sierra Madre, CA 91024**

You can also arrange for a pick-up of your donation by calling Leslie Rico, BCS Fall Family Festival Silent Auction Chair at (626) 497-4084.

Thank you very much for your consideration and support. We all realize that children are our future and your generous donations will help us give these children the tools they need to achieve success.

Sincerely,

Leslie A. Rico
