DESIGN-BUILD

Residential Architectural Designer

We are a highly respected, award-winning design-build firm, delivering creative and innovative solutions to our clients for over 26 years. We specialize in high-end residential remodeling and additions, creating spaces that go 'Wow'! Our strength lies in the lifelong relationships that we build with our clients through integrity, stellar communication skills, and a dedicated team that is passionate about what we do and how we do it from start to finish. We are looking for a residential architectural designer who will be involved in all phases of the design-build process, from conceptual designs through construction drawings including product selections. This is a full time position 8:30-5:30 Mon-Fri, in-house at our Ann Arbor office (no contract work please). Salary will be based on experience and skill set.

Responsibilities include:

- Design of residential projects – large additions, renovations and remodels
- Working directly with clients on a regular basis from needs assessment through presentation and beyond
- Layout of drafting and design sketches, schematic designs, design development, presentation drawings through final construction drawings and documents
- Strong attention to detail and follow-through with design, specifications, product selection, materials and project design budgets
- Provide backup to production team throughout construction and consult on construction site for problem solving

Qualifications:

- Bachelor's Degree in Architecture
- 3 yr minimum of architectural experience with strong residential design and construction knowledge or
- Solid experience with design of residential additions and renovations projects. (Hands on experience is highly desirable)
- 'Insanely great' architectural design skills
- **'Exceptional'** communication skills: verbal, non-verbal, written
- Great organization, project, and time management skills
- Ability to work independently and collaboratively in team environment
- Thrive in a 'full-plate' work environment
- Positive attitude and energy
