RESIDENTIAL ARCHITECT

Alexander V. Bogaerts & Associates is a fast paced Bloomfield Hills architectural firm. We are seeking to fill a full time residential architect position. Candidates must have the ability to work independently and in a team and must be able to process multiple projects at once while taking them from design development through construction documents.

Minimum Requirements:

- 5+ years of residential drafting experience
- Experience in all residential building types
 - Production single family homes
 - Custom single family homes
 - Multi-family buildings
 - Senior Living facilities
- Proficient in AutoCAD
- Knowledge of building codes as they pertain to residential buildings
- Knowledge of residential construction/wood framing practices
- Knowledge of structural design a plus

Preferred candidate should be ambitious, detail-oriented, with the ability to successfully complete projects on time and on budget.

Qualified candidates should send a resume to dchristian@bogaerts.us
