Registered Architect – Troy, Michigan

JTAI is an established Troy, MI based architectural firm that specializes in serving high impact organizations whose culture and mission have a humanitarian focus – which includes churches, non-profit and for profit organizations. We are seeking a highly motivated, passionate individual to help strengthen our Team.

The candidate must be licensed in the state of Michigan and have 15 – 20 years of experience in an architectural firm. The experience must include preparing construction documents, construction administration and management responsibilities. Technical skills must include proficiency in AutoCAD and Microsoft Office. SketchUp and Photoshop a plus.

Responsibilities also Include:

- Well organized, detail oriented and be motivated to grow professionally and personally.
- Leadership responsibilities within the office including supporting and teaching best practices to team members while at the same time being open minded and willing to learn from others.
- Experience in successfully managing multiple tasks and multiple projects are essential.
- Design responsibilities will be shared depending on the candidate's experience.
- Excellent people skills with team members outside of the office including clients, consultants, contractors, and government authorities.
- Eventually responsibilities may be expanded to include marketing and sales efforts.
- Leadership responsibilities will focus on courteously and respectfully serving others by meeting and exceeding their expectations.

The culture of JTAI is built on 5 values; integrity, collaboration, accountability, leadership and excellence. The candidate will be asked to discuss how they have exhibited these values in prior positions.
