# The Microloan Program

## What is the Microloan Program?

---

JARI's Microloan Program is open to any for-profit small business in Blair, Cambria and Somerset Counties and can be used for equipment, inventory, working capital, and a variety of other purposes.

This is a tremendous opportunity for businesses, particularly newer companies that may be putting off a small expansion or improvement project because they did not know about public financing.

## What can The Microloan Program be used for?

---

The Microloan Program, which is funded by the U.S. Small Business Administration, is open to most small businesses and can be used for:

- ◆ **Inventory**
- ◆ **Supplies**
- ◆ **Furniture**
- ◆ **Fixtures**
- ◆ **Working Capital**

## Receive up to \$50,000 for your project!

---

Following a successful application and review, companies can receive up to \$50,000. Depending on project locations, JIDC can also assist businesses with identifying additional sources of funds for larger projects. The loan term will vary based on how the money is to be used and the interest rate is based on criteria including, a company's financial condition and credit rating.
