

## This Week We Learned...

### Pet Signs

**Cat** – Mime stroking where a cat's whiskers are on face with one hand.

**Dog** – ASL sign is snapping fingers and patting hip but we use the Baby Signs® modified sign of panting like dog and patting hip.

**Turtle** – Cup left hand (shell) and place over right closed fist where thumb is on top. Now wiggle thumb for turtle's head.

**Bird** – Tap tip of thumb and forefinger together at ends with back of hand against mouth (like a small beak).

**Bunny** – Make a "V" with 1st two fingers then "hop" them like a bunny.

**Fish** – "Swim" your hand like a fish.
