Helping Farm Families Succeed

Keep the Family Farming: Estate and Succession Planning 101

Register now to participate in this Farm Credit College estate planning workshop featuring Dr. Shannon Ferrell, associate professor and agricultural law specialist at Oklahoma State University.

Dr. Ferrell's morning workshop, "Keeping the Family (and the Farm) Together," will focus on three key components of estate planning including:

- Beginning the transition process
- Communicating effectively
- Planning for farm business succession

In his afternoon session, Dr. Ferrell will dive into a practical approach through his estate planning workbook each participant will receive. His strategies will include:

- Estate planning in the transition process
- Putting your plan into action

Dr. Ferrell's dynamic facilitation style and experience in estate planning will equip you with applicable strategies as you consider the transition process on your farm.
