

SECOND SALE SIGN UP

2015 Camp Cards

Based on the feedback and request of several units, Cradle of Liberty Council is offering the option for units to participate in a "Second Sale" of Camp Cards, from April 17 up to June 15, 2015. Units may participate at their discretion in order to continue to sell Camp Cards to reach their goals of support Scout summer camp attendance and other program needs. Please note the following necessary arrangements:

- Before participating in the second sale, units must close out all cards from the original sale by turning in all funds on cards sold and unsold cards. This will best allow for cards to be available to all units that wish to participate in the second sale. Restocking fees and reductions in commission for late payments still apply for the first sale.
- Units are asked to take cards only as they outline in their sales plan, additional cards can be issued during the second sale as needed so far as inventory allows.
- Weekly Camp Card collection locations and the availability of SEPTA sales locations will continue to take place only through April 30th, as originally scheduled.
- Strive for 25 entries will still be accepted, but only for the grand prize drawing on May 15th.
- All payments and undamaged, unsold cards must be returned to the Cradle of Liberty Council by June 15th. Units doing so will be able to retain their 50% commission during the second sale.
