Registration is now active for the 2017 National Jamboree which will take place from July 19-28 2017 at The Summit Bechtel Reserve in West Virginia. Cradle of Liberty Council intends to take ten contingent troops and one crew to the Jamboree. The cost for youth is \$1,545 which includes transportation, food, equipment, and just about everything you will need. **There are two sources of campership money, plus fundraising opportunities** for those in need of assistance, information including applications will be posted soon. The two step registration process to sign up for the Jamboree is described below:

First utilize this link <http://www.summitbsa.org/events/jamboree/jamboree-registration/> to sign up on the National site. This will require a My.Scouting user name and password, go to www.my.scouting.org to create a password if you do not yet have one. Remember the account needs to be in the name of the person attending the Jamboree, not the parent, and the account has to be linked to the scout's membership id number.

After you have signed up on the National System, you must submit a "Request to attend" form to Cradle of Liberty Council, 1485 Valley Forge Road, Wayne, Pa 19087, including your Scoutmaster's approval with an initial payment of \$245. You will need the Jamboree Registration Code that you receive from National once you sign up on their site. Further payments of \$100 per month can be made by credit card through Doubleknot on the Council website.
