

Homework Center

Beginning Tues., Sept. 17th

Monday-Wednesday, 3:00 – 5:00 p.m.

(Runs Around the School Calendar)

Got Homework ?

Howland Public Library-313 Main St., Beacon, offers an after school *Drop-in Homework Center* – a safe and supervised place for students in grades 1-8 to receive homework assistance.

Homeschoolers are welcome!

We have an open door policy. Anyone can drop in after signing in with the Homework Center Coordinator. A homework assistance staff is backed up by the Youth Services Librarian.

Services Include:

- Homework help and guidance
- Help with writing assignments or school projects
- Computer resources including Internet and Database services
- Grade 1-8 curriculum support

Please be aware that this is not an alternative to after school day care or babysitting services. The Center's purpose is to assist children with their school work only. Students are expected to be respectful and considerate of those working around them. When students are finished, they must be picked up.

For more information please contact Ginny Figlia, Head of Youth Services: (845) 831-1134, x.103 or youth@beaconlibrary.org.
