

FIZZ BOOM READ™ Origami

at Howland Public Library

for students ages 7-11 years old

Wednesdays, July 23, Aug. 6th, and Aug. 13th
4-5pm

Children have the opportunity to delve into “action origami” creating moveable pieces that move using scientific principals with origami artist and teacher, Bob Voelker...better known as **Origami Bob**.

Wed., **July 23rd**...Aircraft designed to fly! You'll make the planes and learn how to get them soaring. No folding experience needed or pilot's license required.

Wed., **Aug. 6th**...Action Origami Part 1: Create models that jump, spin, sail or tumble. No folding experience needed.

Wed., **Aug. 13th**...Action Origami Part 2: More models that jump, spin, sail or tumble. Still no folding experience needed.

Parents may register children for one, two or all three of these free workshops by contacting Ginny, Head of Youth Services, at youth@beaconlibrary.org or 845-831-1134, x.103.
