

Simple Origami

for children ages 3-6 years old
at Howland Public Library

Wednesday, July 16 from 4-5pm

Origami artist and teacher, Bob Voelker, better known as **Origami Bob**, will guide children through beginner origami. They'll create a fun book and a flag.

We ask that children are accompanied by an adult as they may need a little help.

Please register (as space is limited) by contacting Ginny, Head of Youth Services, at youth@beaconlibrary.org or 845-831-1134, x.103.

Check the calendar at <http://beaconlibrary.org> for a listing of all summer programs for children and families.
