

**EXCITING NEWS!**

Snapology of the Hudson Valley  
will present **LEGO ROBOTICS**

to students ages 7 and up

at Howland Public Library

**on Wednesday, February 26<sup>th</sup> from 4-5pm**

This special FREE introduction to Lego Robotics will piggyback with the PARP assembly that Snapology will do at the JVF School that same day.

*“Come build awesome robotic models featuring working motors and sensors! Work in teams under guided instructions to build and program Lego® models. Learning is enhanced through use of laptops.”*

After this introductory program, Snapology will bring a Lego Robotics series to the library in the spring!

An adult **must register** a child for this program by contacting Ginny, Head of Youth Services, at 845-831-1134, x.103 or [youth@beaconlibrary.org](mailto:youth@beaconlibrary.org).  
(limited to 16 children)
