

Leap Into Reading

Summer Book Club

at Howland Public Library

for children entering grades 3-5 in Sept. 2014

Wednesdays from 3-4:30pm between July 9th & Aug. 13th

Using a book of their own choosing, from the library or home, students will use the English Arts & Literacy skills that they are working on in school to have fun discovering character development, plots, conclusions, and new words. Former teacher, Linda Stevens, will help students discover the enjoyment of reading through group discussions, crafts, games, and other activities that will enhance the fun.

Space is limited, so please register with Ginny Figlia, Head of Youth Services, at youth@beaconlibrary.org or 845-831-1134, x.103.

Check out the calendar at <http://beaconlibrary.org> for a listing of all summer youth programs.
