

Start Wax Genius BMT Race Wax Suggestions Preliminary Thursday AM

Boulder Mountain Tour –

Preliminary Wax Suggestion- Posted Thursday Feb 4-9 am.

Galena Lodge-Trails Harriman Trails Ketchum Idaho

Race start at 10 am Saturday Feb 6

Snow: Cold new snow

Slight inversion and warmer at Race Start then finish Thursday AM

- It will get warmer in afternoons
- **But still very cold and high single digits Saturday AM**

Base layer:

Start Graphite SGG- Anti static for the new cold snow

Glider:

Good: **Start SG10 Green** ~ 0% Fluor – Great in Cold High altitude snow

Better: **Start LF10** ~5% Cold Fluor will be better @BMT downhill speeds in cold snow

Best: **Start MF10** ~ 10% Cold Fluor will be best @ BMT downhill speeds in cold snow

100% Fluor Finishing Wax: for top speed on BMT downhill course

Better Fluor: **Start SFR 75 Blue Cold Powder** Roto corked in for coldest snow

Best Fluor: **SFR 92 Green Extra Cold block**, Roto corked in for coldest snow
